INTRODUCTION

When did you last take the time to appreciate the majestic entity that deigns to stalk your house? Cats, those noble beasts who can just as easily snub you as love you, have long been the darlings of the literary world. Immortalised in poems, adored by the rich and famous and envied by dogs the world over, cats have shaped entire civilisations. At least, so they would have us believe...

Still unsure as to how to proceed, or just plain unconvinced? This book provides inspiration for any looking to improve their relationship with their furry companion, and a wake-up call to anyone who dares style themselves a cat 'owner'.

QUOTES

Of all God's creatures there is only one that cannot be made the slave of the lash.

That one is the cat. If man could be crossed with the cat it would improve the man, but it would deteriorate the cat.

Mark Twain

Cats do not have to be shown how
to have a good time, for they are
unfailing ingenious in that respect.

James Mason

I've met many thinkers and many cats,
but the wisdom of cats
is infinitely superior.

Hippolyte Taine

After scolding one's cat one looks into its face and is seized by the ugly suspicion that it understood every word. And has filed it for reference.

Charlotte Gray
